

REMARKS

The Office Action dated June 22, 2009 has been received and noted. The following remarks are being submitted as a full and complete response thereto. Authorization is further granted to charge counsel's Deposit Account No. 01-2300, referencing Attorney Docket No. 027885-00001, for any additional fees necessary for entry of this Response. Reconsideration of this application is respectfully requested in view of the following remarks.

The Examiner has indicated that the application is in condition for allowance except for an informality concerning the Abstract. Accordingly, a substitute Abstract has been presented above and is believed to be responsive to the Examiner's objection. Additionally independent claim 1 and dependent claim 12 have been amended to correct minor grammatical errors. It is believed that the application is now in condition for allowance and reconsideration is requested.

If the Examiner believes that anything further is necessary in order to place this application in better condition for allowance, the Examiner is requested to contact the undersigned at the telephone number listed below.
